

We're driving kids
to be food entrepreneurs.
we need your help.

D.R.I.V.E. CLiCK is a Youth Entrepreneur Program that's helping students discover their potential, learn tangible skills, and gain confidence for success in life by creating value-added food products. It's one of several programs offered by CLiCK, the Commercially Licensed Community Kitchen in Willimantic.

CLiCK knows that today's youth are the future of our community. They'll be the ones maintaining local, sustainable, healthy food systems for all of us.

D.R.I.V.E. CLiCK

aims to help identify, explore, and strengthen leadership and autonomy by engaging students in the Grow, Cook, Share mission of CLiCK.
